Call to Order/ Introductions / Approval of Minutes

Tony Helbling, President, called the meeting to order with everyone in attendance introduced themselves.

Tony Helbling moved to approve August 2014 minutes, Steve Gilmore-seconded, Jack-all in favor, Unanimously passed.

Membership Committee:

Wind Horse Ventures-No news

New Businesses at KUAO:

Dacon Industries, Hangar tenants

Every FBO should have copies of applications for new PAAM Membership, update may be necessary to applications.

Airport Safety Committee:

Bruce discussed report of three helicopters with language challenges and local Cherokee at KUAO. KUAO has various traffic from different airports, such as Hillsboro, Troutdale and Eugene airports performing instruction and cross country flights.

As pilots, call the aircraft out if not using necessary communication. Tower will help with communication when completed.

Jim- Also failure to use communication equipment properly may be an issue (when CFI's training with students)

Ken- Lets communicate as pilots to help and avoid these types of hazards. Possible ASOS interference mentioned.

Airport Improvement Committee:

Ted Millar working on other run up area, internal path/internal road.

John from state taking leads meeting with government to widen Airport Road with bike lane, left hand turn lanes and runway thickness, eventually to extend South.

Incident on Airport road around the 18th Involving a bicyclist involved w/ motor vehicle.

Group mentioned working on getting water to Airport from City of Aurora, needs better water pressure, solution could be to add water tower near airport (higher elevation). Hoping to get extra revenue from airport to offset cost, would be the best for both sides.

Tony Holt mentioned possible shortages.

Initial talks/meeting had a meltdown, Kevin Cameron will revisit with more individuals to have a long term solution.

Dave Waggoner- Ultimate goal would be contract all necessary improvements sewer/water at airport as well the widen Airport Road/bike path/left turn lanes and underground storm drains. Rather than having to revisit additional amenities later with an additional costs and repeated demo/new construction.

Noise:

SE corner of KUAO Ted and Jim witness to unknown source of heavy caliber prolonged rapid fire near filbert orchards. No further information.

John Wilson-Possible wildlife deterrent?

Public Relations: No News
